

EIOPA update on XBRL developments

XBRL week Frankfurt am Main
1 June 2016

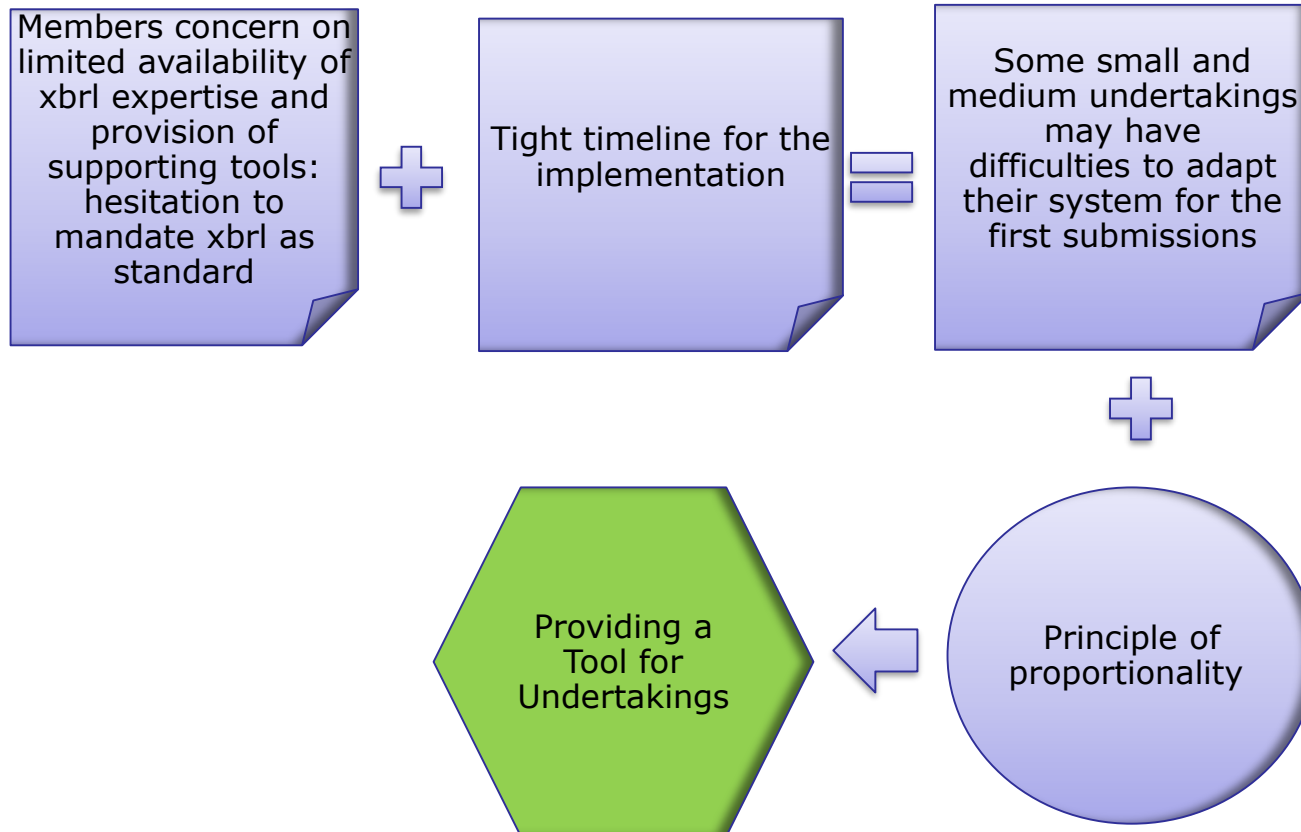

Standardisation

eioπα

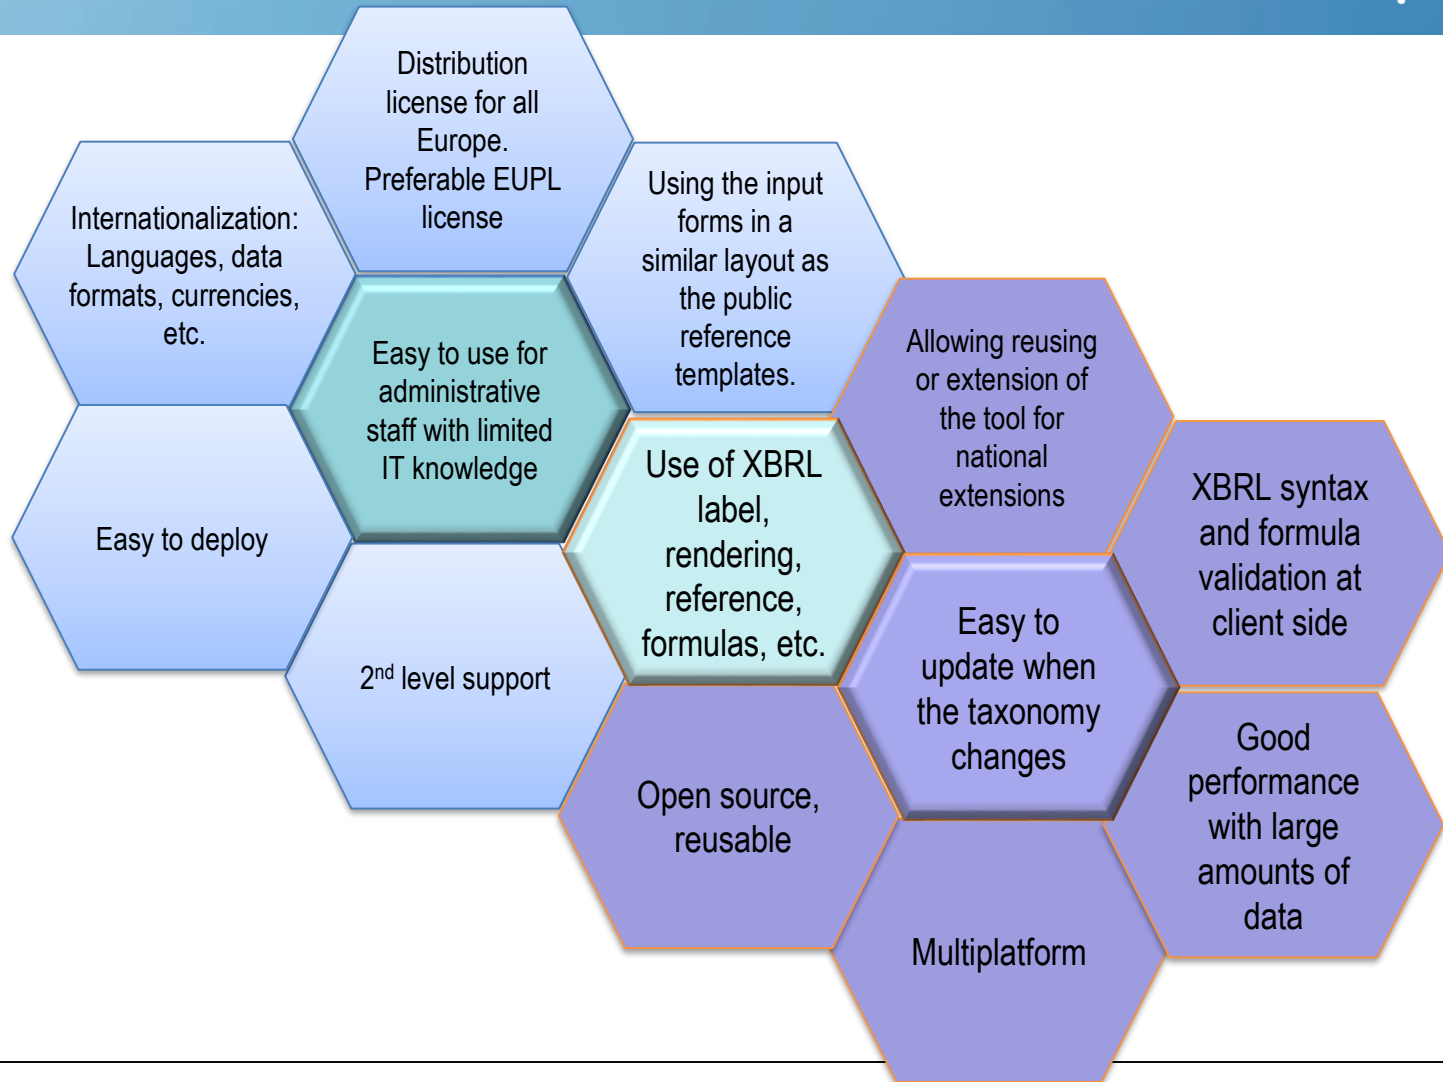

- Increase efficiency along the reporting chain
- Increase data quality
- Initiatives:
 - Harmonised European templates
 - Close cooperation with ECB
 - XBRL as mandatory standard between NCAs and EIOPA
 - Guidelines on use of LEI
- Getting the change process right
 - EIOPA taxonomy governance
 - Introducing xbrl in the sector

Why have we provided an XBRL Tool for Undertakings?

The Tool for Undertakings Goals

Questions?
