EIOPA Taxonomies

- Solvability II V2.4
 - Version 2.4 will include only few changes (business new inclusions, validations)
 - Technically, 2.4 taxonomy may only include new extensible enumeration specification, allowing the use of multiple values in a list.
 - Roadmap for 2.4 is still uncertain due to challenging legislation

EIOPA Taxonomies

- Pension Funds

- No PF 2.4 in spite of the Brexit. Agreed with ECB.
- PF 2.3 valid for 5 periods, from Q3 2019 to Q3 2020, both included
- No major issues detected so far, but a hotfix can still occur as PF 2.3 is a the first version of PF taxonomy.
