

ESEF USE CASES

24 November 2021

ESEF projects setup

- Karl Magnus Westerberg
- CtrlPrint
- Member of XBRL Europe

Based on our 200 customers who filed ESEF in 2020:

- how have they staffed tagging teams?
 - how many versions they have created this far?
 - only working with internal resources or also employ external consultants?
 - for how long have they been working?
-
